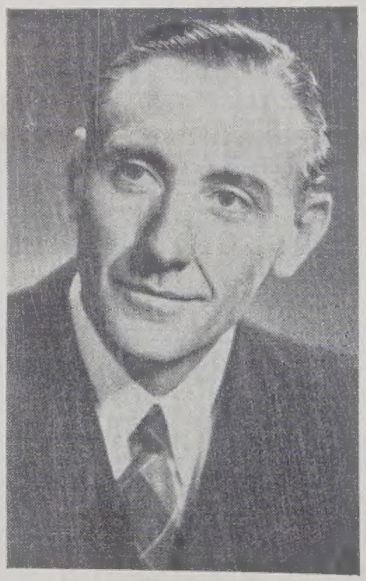
EVENING SERENADE---8:30 P.M. SUNDAY FEATURE

Born in London, England, educated at Banstead Hall, Surrey, and at Malvern College, Worcestershire. Was intended by his parents to be a doctor and in fact did two years at St. Thomas' Hospital. At the commencement of World War I, he left the hospital and joined the Royal Naval Air Service in which he flew as an operational pilot throughout the war. In 1917 he served for a period as a flying instructor at the famous R.A.F. training headquarters, Cranwell, at the same period as Prince Albert, now King George VI.



Randall Stevens

Married Constance Drever, famous singer of musical comedy and operette, and owes his success chiefly to the vocal training he received from her. Toured the principal concert halls in England with her, also appearing in Paris, Monte Carlo and Cairo.

He was engaged in Opera, Concerts and Broadcasts up to the start of World War II when he was recalled to the Royal Air Force for flying duty for purposes of reconnaissance and photography. During his period of service he broadcast often with the Scottish Variety Orchestra and the Scottish Symphony Orchestra, as well as doing a large number of shows for the benefit of the R.A.F. Benevolent Fund. In 1943 he was specially chosen by the Air Ministry to represent the R.A.F. vocally at the Royal Albert Hall Remembrance Service at which their Majesties the King and Queen were present. He was also chosen after the Liberation of Brussels to sing for the Air Force with the Massed Bands of the Life Guards and the Black Watch at the Big Pageant of Liberation in the Palais Des Beaux Arts, Brussels, on November 10 and 11, 1944, at which the Prince Regent and the Queen Mother were present.

On demobilization Randall Stevens returned to the theatrical profession again where he appeared in concerts and broadcasts right up to the time of his departure for Canada. He is now residing in Edmonton and is heard each Sunday at 8:30 p.m. with Constance Drever over CKUA.

ALBERTA FARM AND HOME FORUM

Mondays, Wednesdays and Fridays, 8:15 to 8:30 p.m.

"Milk records—then what?", the title of Mr. Dixon's talk for October 10th, seems to put in few words the whole philosophy of farming. "Then what"—this constant looking ahead. As soon as one goal is reached, another presents itself.

Dairying is well represented in our programme for October. Three broadcasts are devoted to this subject—those on October 8th, 10th and 20th. On October 6th, we hope to hear from four of our Junior Club members about their experiences at the 4-H Congress held last month in Montana.

"Homemakers' Chats" are featured on the second and last Mondays. You will find all speakers listed well worth your listening.
